## DISTILLED

Letter from The Wizard of Chartreuse (translated from French):

### **Chartreuse,**

I could never have imagined that such an adventure would happen to me after a simple tasting of a glass of yellow Chartreuse from 1964. It was a revelation that has made me live and talk about Chartreuse for the past fifteen plus years.

And now is it still the same? Without any hesitation, I would answer yes, this liqueur is absolutely attractive. I have had the privilege of tasting a large number of them and it is not over, with time of course I admit to having my preferences, but I could say that I am always surprised by the scents that these bottles reveal with time. I would tell you to be patient to taste them even after several months of opening it loses none of its captivating power.

Welcome to this Secret World, to the history of France and to this fabulous epic that I hope will be able to arouse you in the same way.

Why so little information on this liqueur? All over the world, we speak Chartreuse, certainly perhaps a little more in recent years but it has always had its faithful followers and has always been present on the menus of Michelin star restaurants and this without making noise.

Yes, a simple glass of a yellow one transported me and propelled me into this world that has embellished my life since.

This profusion of scents produced in 1964 opened the doors to a luxuriant symphony of 130 plants. A noble harmony, nothing is missing, everything is there: the roundness of 43 degrees, the sparkling gold color, limpid, with an opulent nose of precious alcohol of sweet spices, a round mouth tailor-made "CLIMBING" in the towers, both fat and abundant on a slight hint of candied citrus fruits.

A thirst for original and lasting knowledge was awakened; I needed to learn and know more. How could perfection and balance be so wonderfully at their peak in my palate? It is perfect, nothing is missing, everything is there.

So, as if connected to a location broadcasting from another world where imagination and excitement mix, an incredibly refined universe opened before me. Since that day, the Chartreuse broadcasting station has offered me many beautiful encounters and helped me in many rare quests liken only to real treasure hunts.

Here you are, on a quest for a 900-year-old story, in 400 years of secrecy and 260 years of distillation, for a hidden jewel, the elixir of life, a remedy, the noble Queen of Liqueurs and her precious secret that has stood the test of time.

These sometimes dusty, mysterious discoveries are part of the book of life, family stories wisely waiting in a display case, at the back of a cellar and suddenly finding our connected era.

All these mysteries propel us to the same level as explorers, adventurers looking for new voices, investigations and all the while arousing in us respect, adrenaline, and contemplation.

## DISTILLED

The ingredients are simple. Commenced by a religious order founded by Saint BRUNO of Cologne in 1084 giving birth to the Carthusian order, the monastery of the Grande Chartreuse where a handful of men who made their choice live. A manuscript whose origin remains unknown which was given to them by Marshal d'Estrées in 1605 and the patient work of the distilling brothers to fix the different stages of THE recipe which was born in 1764. An intense faith pushing the elaborations to perfection. And as if by magic, this story continues with its secret frozen deep in a mountain range in France in the heart of the Isère department.

The tastings remain captivating, rare, and privileged moments. Its magnificence is both the voluptuous aperitif and the unifying dessert. We never tire of Chartreuse!

Yes, without hesitation, I can tell you that each bottle is unique, certainly the framework of its aromas is recognizable but, from a certain age, the bottles know how to reveal sublime aromas. It is about the interaction between the distillates of plants with the alcohol, the origin of the plants but also the storage of the bottles for years.

Chilled, at room temperature or in cocktails, everyone has their preference, it knows how to adapt to our desires and our pleasure.

Many mysteries float around it. Having even been white in the past, whether it is Yellow or Green its refined dress varies according to its life, its period, its age, and its origin. It is mandatory to mention this period of sumptuous productions made in Tarragona which began in 1904 following the exile of the fathers and ended in 1989. One of the reference productions for enthusiasts in love with the quality and aromatic power emanating from these fabulous bottles.

We are not in the imaginary but simply at the heart of a liqueur whose information is rare and sometimes non-existent, offering between the spiritual and the spirit with still many emotions to deliver to us.

We always follow a light that shines somewhere, for me, it is this liquor whose secret remains forever.

The first vintage of this cuvée is 2017, "Tau", an episcopal char treuse, a mixture of yellow chartreuse with a touch of green. It is only marketed in the Tarragona region, which makes it a difficult product to find. Only 5000 bottles are produced every year with a different blend, which make it different every year. This cuvée is a tribute to the friendship that persists between the Carthusian fathers and the city of Tarragona (Lot 86, 192, 193, 272-281, 360-362, 377, 430)*

#### NECK:

Normal level for all wines. In wines over ten years of age, this level suggests excellent provenance. Rarely used, except to emphasize a particularly good fill level when other fill levels in the same lot are less than perfect.

#### BASE NECK:

A common fill level at which many Châteaux release their wine. For wines of any age, this level suggests excellent provenance.

#### TOP-SHOULDER:

Again, a common fill level at which many Châteaux release their wine. For wines of any age, this level suggests excellent provenance.

#### VERY HIGH SHOULDER:

Acceptable fill level for wines twenty years of age. Suggests proper storage conditions throughout its life. Natural occurrence for wines of this age.

#### HIGH SHOULDER:

Usually not a problem for wines thirty years of age. This level may be caused by easing of the cork combined with natural evaporation. Check the clarity and the color of the wine in the bottle as a secondary indicator of provenance.

#### HIGH-TO-MID-SHOULDER:

Refer to High Shoulder and Mid-Shoulder level descriptions.

#### MID SHOULDER:

May suggest ullage during the life of the wine due to either easing of the cork or inconsistent storage conditions. Not abnormal for wines forty or more years of age. As additional indicators of risk, definitely inspect clarity and color of the wine in the bottle, as well as condition of the cork.

#### LOW SHOULDER AND BELOW:

Suggests poor provenance. Definitely a risk and generally not saleable, with exception given to rare bottlings and/or labels. (Not recommended for consumption.)

Because the shape of Burgundy bottles does not allow for a level rating system based on the shoulder of the bottle, levels are described by means of centimeters below cork. Generally, Burgundy wines with a four centimeter fill level or above are considered normal for wines younger than twenty years. Wines of twenty or more years of age with fill levels of between four and five centimeters are generally considered to be of sound provenance, though consideration should be given to the clarity and color of the wine in the bottle, as well as the condition of the cork. Bottles with ullage between five and seven centimeters are not uncommon for wines forty years and older and often provide thrilling drinking, but the lower the fill, the higher the risk, so consideration should be given. Burgundy bottles with fill levels lower than seven centimeters may be at risk of being damaged or undrinkable, and therefore may be unsaleable. It should be noted that some Burgundian producers tend to over-fill their bottles during the bottling process which may cause a few drops of wine to become trapped between the capsule and the cork. This should not be confused with ullage, a natural occurrence in older wines, which may be accelerated due to poor provenance.

# BUYER'S CONDITIONS OF SALE

## 1. BUYER'S AGREEMENT.

By bidding at auction, each bidder ("Bidder") agrees that these Conditions of Sale ("Conditions of Sale") constitute the agreement between Bidder, on the one hand, and Acker Auction DE, LLC ("Acker Auction DE"), for Delaware live auctions, Acker Merrall & Condit Company ("AMC") for California wine web auctions and/or Acker Auction, Inc. ("Acker Auction"), for live New York or web auctions for spirits, and Acker Merrall & Condit Co. ("AMC"), for web auctions for wines (each respectively and together, "Acker" or the seller/consignor (the "Seller"), on the other hand, with respect to the sale of the property listed in the auction catalogue (in whatever format published) ("Property").

Acker may amend these Conditions of Sale or the catalogue from time to time and at any time through posted notices, addenda, or errata or through oral salesroom announcements during the sale. By bidding at auction, Bidder agrees to be bound by all of the terms and conditions of these Conditions of Sale and accepts personal liability to pay the purchase price, including the Buyer's Premium (as defined below), taxes and any other applicable charges, for any successful bid. If the Bidder is the successful bidder by virtue of being the highest bidder accepted by the auctioneer, or has otherwise agreed to purchase any lot, wine or other item, the Bidder is referred to herein as the "Buyer."

## 2. ACKER AS AGENT.

Except as otherwise stated in these Conditions of Sale, Acker acts strictly as agent for the Seller.

## 3. BEFORE AUCTION.

**(a) Lots.** Property is divided into separate groupings as determined by Acker in its sole and absolute discretion and each such grouping (a "Lot") is subject to separate bidding at auction.

**(b) Inspection.** Prior to auction, Bidder is advised to physically inspect any Property in which Bidder is interested in bidding and to rely on such inspection, as opposed to any descriptions in the catalogue or elsewhere.

**(c) Experts.** Acker may seek views of outside experts on certain Property either before or after the sale. Some Property may be marked to indicate, or show other indicia, that it has been inspected by an expert (including visible writings, stampings and cut capsules).

**(i) Bidder Registration.** In order to bid at auction, Bidder must have an account with Acker or its affiliates. Bidder can open such an account by: (A) completing and submitting a Bidder Registration form; (B) completing and submitting an Absentee Bid form; or (C) creating such account online (at [www.ackerwines.com](http://www.ackerwines.com)) or through the "Acker Wines" mobile app (available for downloading at the Apple App Store or Google Play Store). In connection therewith, Bidder will be required to provide the card number, expiration date and security code for an active credit or debit card (Visa, MasterCard or American Express), which Bidder authorizes Acker and its affiliates to validate. Acker and its affiliates may also require Bidder to provide bank or other financial references. Acker

and its affiliates retain the absolute right not to open or to close an account for any prospective Bidder and to refuse any prospective Bidder admission to, or participation in, any auction. Bidders also agree to provide Acker with such information as Acker may reasonably require, including a government issued identification containing a photograph, such as a passport, identity card or driver's license. Acker may use this information to verify Bidder's identification and for other screening and due diligence purposes pursuant to its Privacy Policy (<https://www.ackerwines.com/terms-conditions/#legal-privacy>), which is incorporated by reference. If Bidder does not agree to the terms of the Acker Privacy Policy, please refrain from providing any personal information and cease any use of Acker's website, apps, or other digital assets.

## **(d) Absentee, Telephone, Online and Mobile App Bidding.**

Prior to the sale, Bidders may make arrangements with Acker to participate at auction by absentee or telephone bidding. Bidder may also participate in the sale by bidding through Acker's and its affiliates' online and/or mobile app bidding platforms, which participation shall be subject to the Website and Mobile App Terms of Use (available at <https://www.ackerwines.com/terms-conditions/>). Bidders wishing to participate by absentee bidding must complete and submit an Absentee Bid form to Acker in advance of the sale. All absentee bids must be placed in United States Dollars. If Acker receives identical absentee bids for any particular Lot and such bids are the highest amount for that Lot at auction, the winning bid for such Lot shall be determined by the auctioneer in its sole and absolute discretion; provided that the exercise of the auctioneer's discretion is not in a discriminatory manner otherwise prohibited by applicable law. The acceptance of absentee, telephone, online and mobile app bids for any Lot in a live auction is subject to the sole and absolute discretion of the auctioneer. With respect to bids placed through the online or mobile app bidding platforms, any online and mobile app notifications concerning Bidder's bid status may be overridden by the auctioneer. As such, even if Bidder receives an online or mobile app notice indicating that its bid has been accepted, please be advised that the auctioneer may determine otherwise in its sole and absolute discretion, and the auctioneer's decision shall be final. Acker offers complimentary absentee, telephone, online and mobile app bidding solely as a convenience to its clients. In no event shall Acker or its affiliates or auctioneer (or any of their respective officers, directors, shareholders, members, employees, attorneys, representatives, agents or assigns) be liable for any errors, omissions or failures relating to, arising from or in connection with the execution (or failure to properly execute) any absentee, telephone, online or mobile app bids.

## 4. AT AUCTION.

**(a) Catalogues.** Bidder is advised to read the print or a PDF copy of the catalogue in its entirety. While Acker has attempted to describe each Lot in the catalogue accurately, in no event shall Acker be liable for any error or omission in any such description. Acker retains the absolute right to amend any description in any manner prior to and during the auction. Classifications in the text are for identification purposes only and are based on standard sources. Each statement regarding Property, whether oral or written, and whether made in the catalogue, an advertisement, bill of sale, invoice,

addendum, notice, announcement, email, or other written or oral communication, is a statement of OPINION ONLY and should not be relied upon by any Bidder. Bidder must make appropriate allowances for natural variations of ullages, and conditions of cases, bottles, labels, caps, corks, capsules, and wine and spirits. In no event shall Acker be required to accept a return, offer credit for, or adjust the price of any Property after delivery except under the terms stated in Section 5(e) below. Images appearing in the catalogue or elsewhere are for illustrative and informational purposes only and may not reveal defects or imperfections in any Lot. Bidder is advised not to rely on images in determining whether to bid on Property and is further advised to personally inspect any Property in which Bidder is interested in bidding prior to placing any bids. ALL PROPERTY IS SOLD "AS IS".

**(b) No Representations, Warranties or Guarantees.** ACKER AND ITS AFFILIATES, AUCTIONEER AND SELLER (AND EACH OF THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, MEMBERS, EMPLOYEES, ATTORNEYS, REPRESENTATIVES, AGENTS AND ASSIGNS) MAKE NO ORAL OR WRITTEN EXPRESS OR IMPLIED REPRESENTATIONS, WARRANTIES OR GUARANTEES AS TO THE MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, ACCURACY, THE CORRECTNESS OF ANY CATALOGUE DESCRIPTION OR OTHER DESCRIPTION AS TO THE ORIGIN, PHYSICAL CONDITION, SIZE, QUALITY, RARITY, AUTHENTICITY, ATTRIBUTION, VALUE, ESTIMATED VALUE, IMPORTANCE, MEDIUM, PROVENANCE, EXHIBITION HISTORY, POTABILITY, LITERATURE, HISTORICAL RELEVANCE OR BIBLIOGRAPHIC REFERENCES CONCERNING ANY PROPERTY.

**(c) Reserve Price.** Each Lot is sold subject to a reserve price, which is the minimum price below which the Lot will not be sold (unless the auctioneer chooses, in its sole and absolute discretion, to accept a lower price and Acker pays the Seller as if the Lot had sold at the reserve price). While Acker has the right to raise or lower the reserve price at any time prior to the time the Lot is opened for bidding by the auctioneer during the live auction, under no circumstance shall the reserve price for a Lot exceed the low estimate for that Lot as printed in the catalogue or as amended by any oral or posted notice. The reserve price for each Lot is available to prospective Bidders upon request, but Acker shall have no ongoing obligation to notify a prospective Bidder who has been informed of any reserve price if such reserve price has thereafter been changed.

**(d) Symbol Identifying Interest in Certain Lots.** If Acker or its affiliates has a financial interest in any Lot, including a full or partial ownership interest or the provision to the Seller of a minimum price guarantee, such Lot will be identified in the catalogue by the symbol \*. Any such financial interest may be held by Acker or its affiliates or jointly by Acker or its affiliates and a third party. Acker or its affiliates and any third party holding a financial interest in a Lot jointly with Acker and/or its affiliates benefit financially if such a Lot is sold at or above a particular price and may incur a loss if it is not. Notwithstanding the foregoing, Bidder shall be deemed to have waived any further claim against Acker and its affiliates as to the failure to provide disclosures beyond those statutorily required to the maximum extent permitted by applicable law.

**(e) Estimates.** Each Lot in the catalogue is accompanied by a low and high estimate of the selling price, which estimates exclude the Buyer's Premium (as defined below), taxes and any other applicable charges. While estimates are intended as a general guide for prospective Bidders, in no event do they constitute either a representation or prediction of an actual selling price or value and should not be relied upon by Bidder as such. Acker reserves the right to revise estimates at any time prior to the time the Lot is opened for bidding.

**(f) Bidding.**

*(i) Bidder Warranties, Representation and Covenants.* By bidding at auction (whether in person or through an agent, or through absentee, telephone, online, or mobile app bidding, or by other means), Bidder warrants, represents and covenants that: (A) Bidder is at least twenty-one (21) years of age; (B) Bidder has the legal authority, right, and capacity to buy, receive, possess and otherwise deal in any Lot purchased; (C) any bids made by Bidder or on Bidder's behalf are not pursuant to any anti-competitive agreement and are otherwise in compliance with all applicable laws; (D) any funds used to pay for Property were not directly or indirectly obtained from any criminal activity; and (E) Bidder (and any other party or entity on whose behalf Bidder may be bidding or acting) is not subject to any trade sanctions, embargoes or any other restrictions on trade in the United States or any other jurisdiction in which Bidder or any such other party resides or conducts business. For the avoidance of doubt, if Bidder is bidding as an agent, each of the foregoing representations and warranties are made on behalf of both Bidder and its principal.

*(ii) Bids per Lot.* Unless otherwise announced by the auctioneer, all bids are per Lot in consecutive numerical order as they appear in the catalogue.

*(iii) Bidding Up to the Reserve Price.* Subject to the auctioneer's sole and absolute discretion, bids shall be entered in the order in which they are received. The auctioneer may open bidding on any Lot by placing a bid on behalf of the Seller. The auctioneer may further bid on behalf of the Seller up to but not at or exceeding the amount of the reserve price by placing successive or consecutive bids for the Lot, or by placing bids in response to bids placed by any other Bidder.

*(iv) Deposit For New Bidders to Acker.* For clients who have never transacted with Acker before, should the new client wish to bid for Property in the amount of USD\$250,000 or more, that client shall be subject to Acker's right to require a ten percent (10%) deposit.

*(v) Bidding by Acker.* Acker and its' affiliates reserve the right to bid for their own accounts or to procure the making of a bid on their behalf and provide notice of such right in their, online auction platform(s), and prior to live auctions in accordance with applicable law. Neither affiliates will bid in auctions held in New York by Acker Auction Inc.

*(vi) Bidding by Acker Employees.* Acker reserves the right to permit its employees (in the sole and absolute discretion of Acker) to bid for their own accounts on any

Lot in the sale. Employees shall bid only by absentee bid submitted prior to the auction and otherwise comply with our employee bidding procedures. Employees may bid at a discounted Buyer's Premium. Acker's discount policy shall be disclosed to any Bidder who requests it. Acker may deny discounts for any particular auction on prior notice before such auction takes place. Employees will not be eligible for a discounted Buyer's Premium on charity auctions such as the auctions to benefit World Central Kitchen ("WCK").

(vii) Bidding Not Reaching the Reserve Price. If bidding on a Lot does not reach the reserve price, the auctioneer may remove the Lot from sale. At the time of such removal and before bidding on another Lot begins, the auctioneer shall announce that the removed Lot has been "passed", "bought in" or other term of similar meaning.

(viii) Hammer Price. The Bidder making the highest bid accepted by the auctioneer will become the Buyer. The striking of the auctioneer's hammer marks the acceptance of such bid as the "hammer price" and the creation of a contract for sale between Seller and Buyer. The auctioneer has discretion to reopen bidding at any time during the auction in which case no contract shall be formed until such final bidding is completed.

(ix) Bidding Increments. The following are the bidding increments that will generally apply to bids, whether placed in person or through an agent, or through absentee, telephone, online, or mobile app bidding, or by other means; provided, however, that all increments during an auction are subject to change or modification in the sole and absolute discretion of the auctioneer. Any absentee bid submitted in an incorrect bidding increment will automatically be rounded down to the closest correct increment.

| Current Bid             | Bidding Increments      |
|-------------------------|-------------------------|
| \$0 up to \$1000        | \$50                    |

| \$2000 up to \$3000     | \$200                   |
| \$3000 up to \$5000     | \$200, \$500, \$800     |
| \$5000 up to \$10,000   | \$500                   |
| \$10,000 up to \$20,000 | \$1000                  |
| \$20,000 up to \$30,000 | \$2000                  |
| \$30,000 and more       | Auctioneer's Discretion |

(x) No Liability for Bidding Errors. In no event shall Acker or its affiliates or auctioneers (or any of their respective officers, directors, shareholders, members, employees, attorneys, representatives, agents or assigns) be liable for any errors, omissions or failures relating to, arising from or in connection with the execution (or failure to properly execute) of any bids, whether placed in person or through an agent, or through absentee, telephone, online, or mobile app bidding, or by other means, including errors or omissions relating to the loss of connection with the internet or Acker's on-line or mobile app bidding platforms.

**(g) Parcel Lots.** In the event that the catalogue lists a sequence of Lots carrying the same estimates and consisting of the same type of wine or spirits, quantity and bottle size (each a "Parcel"), Buyer of the first Lot in such Parcel may, in the sole and absolute discretion of the auctioneer,

be granted the option to buy any or all additional Lots in the Parcel for the same hammer price if there is no higher absentee bid on any subsequent Lot within the Parcel. If the option is not exercised on all such Lots, the auctioneer will open bidding on the next unsold Lot and may elect to offer the Buyer of that Lot the option to take any or all of the remaining Lots in the Parcel. Bidding shall continue in the same manner until all Lots in the Parcel have been offered and declared sold or unsold by the auctioneer.

**(h) Auctioneer's Discretion.** Acker and/or the auctioneer shall have the sole and absolute discretion to: (i) withdraw any Lot; (ii) divide any Lot; (iii) combine any two or more Lots; (iv) accept or refuse any bid (whether made in person or through an agent, or through absentee, telephone, online, or mobile app bidding, or by other means); (v) advance the bidding (in accordance with Section 4.5.(iv) above), including changing the increments, in such a manner as deemed appropriate; and (vi) in the event of error or dispute or multiple bids of the same amount, determine the successful bidder, continue the bidding, cancel the sale, or reoffer and resell the disputed Lot. Wherever Acker and/or the auctioneer exercises such discretion, its decision shall be final, binding, and conclusive in all respects.

**(i) Extension of Internet Bidding Window.** For any Internet auctions, if a bid is placed on a Lot within ten (10) minutes of the scheduled close time, the auction for that Lot shall be extended for until the next ten (10) minutes after the scheduled close. Regarding any charitable auctions including the auctions to benefit WCK, Bidders are advised to consult with their own tax advisors to determine the application of the tax law to their own specific circumstances and whether a charitable contribution deduction is available for any purchase. Please note that all WCK Lots are donated in full by the consignors. Bidders are advised to discuss their particular tax circumstances with their independent tax advisor, including residency eligibility under applicable laws, to determine if a charitable deduction for any purchase is available in any jurisdiction outside the United States.

Acker's discount policy shall be disclosed to any Bidder who requests it. ## **5. AFTER AUCTION.**

### **(a) Payment.**

*(i) When Due.* Invoices reflecting the total amount due will be sent to each Buyer within two (2) days following the close of the auction (email to suffice). For any Internet auction, Buyer agrees to pay such invoice in full within forty-eight (48) hours following the close of the auction. For any Live auction, Buyer agrees to pay such invoice in full within thirty (30) days following the date of auction. By bidding at auction, Bidder authorizes Acker, without further notice to Bidder, to charge any credit or debit card used by Bidder to create an account with Acker and its affiliates or to make payment on any current or past invoice issued to Bidder by Acker or its affiliates, any balance of Bidder's invoice that remains unpaid more than forty (40) days after the live auction or by noon Eastern Time on the Tuesday following the close of the Internet Auction (as well as any other applicable fees and expenses) for payment of live auctions. Subject to this automatic charge being successful, there shall be no late fee(s). Acker shall charge Buyer a late fee in the amount of eighteen percent (18%) interest per annum calculated daily, until such unpaid amount has been paid ("Late Fee"). This Late Fee shall take effect for live auctions thirty-five (35) days following the close of the live auction. However, Acker will waive the Late Fee if Buyer contacts Acker to provide a payment method by day forty (40) after the close of the live auction. In the event Buyer has not paid in full within forty-five (45) days following the close of the live auction, Acker reserves the right to cancel the sale and reoffer such Lot(s). Acker reserves all other rights for the default as specified below.

For internet auctions, if Acker has not received full payment by the Tuesday following the close of the internet auction, the Late Fee will be assessed. On the Thursday at midnight Eastern Time following an Internet sale, in addition to any of Acker's rights upon buyer default, Acker may cancel the sale and reoffer the Property in the next appropriate auction, and Acker reserves all other rights for the default as specified below.

If Buyer is delinquent on any accounts to any Acker entity, Acker reserves the right to reoffer Property in another auction, including paid-for Property, in order to satisfy the debt.

*(ii) Method of Payment.* Payment of each invoice must be made in United States Dollars. Payments may be made by wire transfer, check and/or certain credit or debit cards (subject to the provisions herein). Any check returned unpaid will be subject to a \$100 processing fee and will not be deemed paid for purposes of determining whether payment has been timely received. Visa, MasterCard, and American Express are accepted. Please note there will be a credit card usage fee of two percent (2%) on the total auction purchase price for all live and internet auctions. For live auctions (only), the two percent (2%) fee will only apply up to a credit card payment of fifteen thousand dollars (USD\$15,000). For a credit card payment over fifteen thousand dollars (USD\$15,000), a three percent (3%) fee will be applied to the hammer price and Buyer's

Premium. This fee shall be applied except where prohibited by applicable law. All web auction buyers have the responsibility to have a valid credit card on file with Acker that will be tokenized through its payment processor. In the event Acker is unable to automatically charge buyer's credit card within forty-eight (48) hours after the close of the auction for any reason, it is the obligation of the buyer to contact Acker to make alternative payment arrangements within this forty-eight (48) hour period. For successful buyers at web auctions, such buyers will be notified by email the night of the close of the auction (Eastern Time) of their purchase and be issued an invoice (typically a Sunday). The next day the buyer's credit card will be automatically charged for their purchase to which Bidders consent by participating in the auction and agreeing to these Conditions of Sale. If for any reason a buyer's credit card is declined, the buyer will be notified of the need for alternative payment by the Thursday of that week by 12a.m. Eastern Time. If we do not receive payment by that time, the Lot(s) will be deemed to be defaulted on, and we shall reoffer the Lot(s) in the next available web auction, in addition to any of our rights upon buyer default.

NOTE THAT THE LIABILITY OF ACKER STORAGE MAY BE LIMITED BY LAW OR BY THE TERMS OF ITS STORAGE AGREEMENT.**

**(d) Importation and Exportation.**

*(i) Importation and Delivery.* Acker and its affiliates make no representation as to the legal rights of anyone to import or deliver any Property or other goods into any state or jurisdiction. Buyer acknowledges and agrees that it is solely responsible for the transport of the Property and for determining the legality and the tax/duty consequences of bringing the products to Buyer's chosen destination.

*(ii) Exportation.* Property sold at auction may be subject to laws governing export from the United States, and Acker and its affiliates make no representation as to the legal rights of anyone to export such Property or other goods into any state or jurisdiction. It shall be Buyer's sole responsibility to determine, before bidding at auction, whether an export permit or license is required for Buyer's purchase and, if required, to obtain any such required permit or license.

The denial of, or delay in obtaining, any such permit or license shall neither justify the rescission of any sale nor any delay in making full payment for the purchase.

**(e) Rescission.**

*(i) Claims by Buyer.* Acker has the right but not the obligation to rescind a sale if any statement in Acker's offering materials concerning a Lot is materially incorrect or such Lot is short or is in unsound condition (e.g., cooked, and spoiled), Buyer's sole remedy shall be rescission

of such sale in Acker's sole and absolute discretion. If Buyer seeks rescission under this paragraph 5(e)(i), Buyer must so notify Acker in writing within ninety (90) days after the auction. Buyer may only make such a claim if the Property in question: (A) has the Acker auction sale date reference sticker(s) on the relevant bottle(s); (B) is in the same condition as when it was released by Acker to Buyer or when custody thereof was transferred to Acker Storage; and (C) has been delivered to and from Buyer and stored under appropriate conditions. **TO THE FULLEST EXTENT PERMITTED BY LAW, BIDDER WAIVES ANY RIGHT TO MAKE ANY CLAIM OR BRING ANY LEGAL ACTION AGAINST ACKER AND ITS AFFILIATES, AUCTIONEERS, AND SELLER (AND EACH OF THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, MEMBERS, EMPLOYEES, ATTORNEYS, REPRESENTATIVES, AGENTS AND ASSIGNS) RESULTING FROM ANY DETERMINATION MADE (OR FAILED TO BE MADE) BY ACKER UNDER THIS SUBSECTION. IN THE EVENT THAT BUYER FAILS TO PROVIDE TIMELY AND PROPER NOTICE TO ACKER UNDER THIS SUBSECTION, BUYER SHALL BE DEEMED TO HAVE WAIVED ANY RIGHT TO RESCISSION AS HEREIN PROVIDED.** Only the Buyer of record of the Property shall be entitled to make a claim of rescission under this subparagraph.

**(ii) Buyer's Sole Remedy. THE REFUND TO BUYER OF THE PURCHASE PRICE PAID FOR ANY PROPERTY SHALL BE BUYER'S SOLE REMEDY FOR ANY CLAIM OR MATTER RELATING THERETO.**

**(iii) Different Importers/Bottle Numbers.** Although Acker may at times state in the catalogue or elsewhere if a Lot includes Property from different importers, failure to so state is not grounds for rescission of the sale of any Lot. Similarly, any incorrect statement or omission in the catalogue concerning bottle and/or sequence numbers of Property from those producers that number their bottles is not grounds for rescission of the sale of any Lot.

**(iv) Limited Guarantee.** Notwithstanding anything to the contrary contained within these Conditions of Sale, Acker agrees to refund the purchase price to the Buyer of any Property purchased from Acker that is not of the vintage or from the producer as was stated in the catalogue or otherwise represented by Acker, including, but not limited to, Property that is counterfeit or has indicia which suggest that it is likely counterfeit, provided that: (A) the Buyer directly purchased the Property from Acker; (B) the Buyer returns such Property to Acker within ninety (90) days of the date of delivery of such Property to Buyer; and (C) that Buyer returns such Property in materially the same condition as it was delivered to Buyer. In the event Acker suspects the Property of a fraudulent activity or is a forgery, Acker may cancel any sale of such Property and hold such Property if it is in the possession of any Acker entity, including Acker Storage LLC. In the event the sale is cancelled after Buyer has made payment to Acker, Acker shall return such funds to Buyer.

**(f) Default by Buyer.** If Buyer fails to make payment in full in accordance with these Conditions of Sale within thirty (30)

days following the auction, Acker Auction may, in its sole and absolute discretion:

- (i) Cancel the sale, retaining any partial payment as liquidated damages;
- (ii) Resell Property publicly or privately for Buyer's account and at Buyer's risk, with estimates and a reserve set at Acker's sole and absolute discretion, and charge Buyer for any deficiency between the final bid in the resale and the final bid placed by Buyer, in addition to all costs and expenses of both the initial sale and the resale at Acker's regular rates and the Buyer's Premium due in connection with both sales;
- (iii) Set off all sums due from Buyer against any amounts which Acker or its affiliates may owe to Buyer;
- (iv) Exercise all the rights and remedies of a party holding a first priority perfected security interest in any Property or other property in the possession of Acker or its affiliates and which is owned or has been consigned by Buyer;
- (v) Collect from Buyer the total amount due (including the Late Fee) plus any loss, cost or expense incurred by Acker in effecting such collection;
- (vi) Collect from Buyer reasonable attorneys' fees and expenses incurred by Acker in exercising any one or more of the rights or remedies set forth in this Agreement;
- (vii) Prohibit Buyer from directly or indirectly purchasing from Acker and its affiliates and from participating in future auctions and other events held, hosted, or sponsored by Acker or its affiliates;
- (viii) Exercise any right or remedy against Buyer available to Seller at law, equity or otherwise; or
- (ix) Release the name and address of the Buyer to the Seller to enable Seller to commence legal proceedings against Buyer to recover all amounts due.

Acker may, in its sole and absolute discretion, exercise any one or more of the preceding remedies or any combination thereof.

If Buyer fails to pick up the Property in-person or fails to arrange for shipping, transportation or other delivery of the Property after payment in full has been received by Acker Auction, and after the Buyer has had five (5) business days after payment to pick up the Property itself or authorize delivery of the Property to Acker Storage and has not paid the storage fees for the Property at Acker Storage, Acker may, in its sole and absolute discretion, take any of the following actions in order to pay off all storage fees and other expenses incurred by Acker or Acker Storage:

- (i) Cancel the sale;
- (ii) Resell Property publicly or privately for Buyer's account and at Buyer's risk, with estimates and a reserve set at Acker's absolute and sole discretion, and charge Buyer for any deficiency between the final bid in the resale and the final bid placed by Buyer, in addition to all costs and expenses of both the initial sale and the resale at Acker's regular rates and the Buyer's Premium due in connection

with both sales;

(iii) Set off all sums due from Buyer against any amounts which Acker or its affiliates may owe to Buyer;

(iv) Exercise all the rights and remedies of a party holding a first priority perfected security interest in any Property or other property in the possession of Acker or its affiliates and which is owned or has been consigned by Buyer;

(v) Collect from Buyer the total amount due (including the Late Fee and/or interest) plus any loss, cost or expense incurred by Acker in effecting such collection;

(vi) Collect from Buyer reasonable attorneys' fees and expenses incurred by Acker in exercising any one or more of the rights or remedies set forth in this Agreement; provided, however, that prior to taking any of the foregoing actions, Acker shall make three attempts using reasonable business effort to contact the Buyer in writing (which may include electronic transmission) as to Buyer's failure to pick up or arrange for shipping, transportation, or other delivery of the Property. Acker shall hold any monies received in connection with such sale (after receiving payment for its storage and other costs) in accordance with all escheatment rules of the State of Delaware and as provided under the Acker Storage Agreement.

**(g) Bidder's Indemnity.** By bidding at auction, each Bidder (including Buyer) agrees to indemnify, defend and hold Acker and its affiliates, auctioneer, and Seller (and each of their respective officers, directors, shareholders, members, employees, attorneys, representatives, agents and assigns) (each, an "Indemnitee") harmless from and against any and all losses, damages, demands, claims, suits, judgments, costs, expenses, or other liability of any kind (including reasonable attorneys' fees and expenses) relating to, arising from or in connection with: (i) Bidder's actual, threatened or alleged breach of any representation, warranty, covenant or other provision contained within these Conditions of Sale; (ii) any act or omission on the part of Bidder (or Bidder's agents, employees or representatives) adversely affecting Property; (iii) any inaccuracy of any document or instrument delivered by Bidder pursuant to or in connection with these Conditions of Sale; or (iv) Bidder's violation of any applicable law, statute, rule or regulation. Bidder further agrees to advance each Indemnitee, upon demand, all costs, and expenses (including reasonable attorneys' fees and expenses) as they are incurred by such Indemnitee in connection with any matter covered by the indemnification provisions of this Section 5(h). All of Bidder's representations, warranties, and covenants herein, together with the indemnification provided for in this Section 5(g), shall survive completion of the transactions contemplated in these Conditions of Sale.

**(h) Copyright.** Acker reserves copyright in all images, illustrations and written material produced by or on behalf of Acker, including, without limitation, the content of the catalogue (collectively, "Material"), and in no event may Buyer or any third party use any Material without Acker's prior written consent. In no event do Acker or its affiliates or Seller make any representation or warranty that Buyer will acquire any copyright, reproduction right or any other intellectual property right in any Property.
