A MESSAGE FROM THE BOARD

Mr. C.C. Tung
Founder & Board Director

Mr. Alex Ng,
Board Chair

On behalf of the Founders and Board of Directors of the Children's Medical Foundation (CMF), we thank you for supporting our 7th annual Charity Golf Tournament and gratefully acknowledge The Clearwater Bay Golf & Country Club for making this possible.

Our journey began 28 years ago with a vision to improve child healthcare in Asia. Our first milestone was to help build China's first children's hospital, the Shanghai Children's Medical Center, which remains China's leading pediatric hospital.

Over the past quarter century, we have deepened our know-how, cultivated hospital partnerships, and established a network of 85 neonatal intensive care units, strengthening a health system that continues to build the medical workforce and save lives across China. Besides the cities, we have grown our roots deeper into the counties; besides hardware, we have increased the importance of developing software and focus on prevention instead of treatments, all in a sustainable manner.

A MESSAGE FROM THE CEO & GOLF CHAIR

Ms. Estella Huang Lung,
CEO

Welcome friends, it's wonderful to see so many of you returning for the CMF Charity Golf Tournament each year! We are touched and extremely grateful for your continued support.

The past few years have admittedly been some of the most difficult I've witnessed but I can confidently say that we have emerged stronger and more resilient.

In a big, bold initiative, CMF largest program, Every Baby Rescued, is underway with solid progress. With funds raised from annual Charity Golf Day, the program has built neonatal medical care capability at 55 county hospitals in the last two years alone. Remote and Urgent Action in Nujiang, where neonatal mortality is 5x the national average is also implementing smoothly. However, 8 more provinces and 245 county communities serving 55 million families are still without quality life-saving child healthcare.

Apologies in advance for my urging this evening, but I ask your help to make the most of the generosity of the hundred in-kind donors, sponsors and partners. Please bid and give generously this evening!

On behalf of the 2023 CMF Golf Committee, I would like to express our sincere gratitude for your presence and support for CMF's 7th Annual Charity Golf Tournament. Hong Kong and CMF are now back in full swing after the Covid Crisis and we are truly blessed to begin the summer with such a fun event with all of you.

As CMF does not have an annual gala, we rely on generous supporters like you who understand the critical need of our work and join us when we host a day like today. I am also immensely thankful for all the support we get from our friends at The Clearwater Bay Golf & Country Club as well as all of our corporate, media, and PR partners who have made today possible.

On behalf of CMF Golf Committee, we would like to especially thank all the Friends for believing in our cause. I hope and trust that all of you will go out and hit it long, hit it straight, and most of all to have lots of fun!

Mr. Kenny Ho,
Golf Committee Chairman

Meiji Bennett,
Golf Committee Co-Chairperson

28 YEARS OF CELEBRATING LIFE

2023 marks the 28th anniversary of the Children's Medical Foundation's work in children's health. Since our start as Project HOPE Hong Kong, we have worked diligently to improve the standards and quality of medical care available to Asia's youngest and poorest, where inaccessible.

Proudly, we celebrate the many milestones achieved through the collective efforts of our board members, staff, and volunteers; the generous support of our partners and sponsors. Anniversary celebrations are also a time to look towards the future and our plans are necessarily ambitious. With at least half the global population lacking access to essential health services, and global fertility rate dropping; there is still much work to be done both in China and beyond to make equitable access to newborn care a reality.

We launched Every Baby Rescued at our 6th National Neonatal Network Conference in Shanghai on May 17th, 2023, from a foundation of strength, and to the goal of strengthening our program reach within China and establishing a new benchmark for rapid improvement of the health systems essential to the health of newborns. We hope you will continue to support us on this rewarding journey.

Saved **286,531** newborn lives

Treating **65,591** newborns each year, **1** baby every **8** minutes

Established **85** Neonatal Care Units in **12** provinces in China

Neonatal Pediatric training for **4,500** rural doctors & nurses

Mobile transport connecting **19,000** rural medical facilities

MISSION AND ACHIEVEMENTS

MISSION

To develop and implement sustainable healthcare solutions for children in Asia, with a focus on helping underprivileged children.

IMPROVING NEWBORN HEALTHCARE

Children's Medical Foundation celebrates a 25-year history of shaping the building blocks of child healthcare in China.

Our vision supports United Nations SDG's, focusing on 4, 9, 10, 12, 17 and namely 3 -- to reduce preventable deaths in the fragile first month of life -- a tragedy that unfairly hits Asia's youngest and poorest.

On a daily basis we save the lives of babies by bringing time-critical newborn healthcare closer to rural and minority families. On a generational basis, our work strengthens the healthcare systems serving these hard-to-reach communities by training doctors and nurses, connecting hospital services, and inspiring more equitable investment in newborn health.

THE URGENT NEED

- 1/3 of child deaths in China are caused by lack of access to skilled newborn care during the first month of life.¹
- 50% of rural pediatricians have only 3 years of junior college.²
- 29% of premature births results in cerebral palsy due to poor neonatal capability.³
- Policies encouraging births have led to a rise in the premature birth rate to 9%, increasing the need for intensive newborn care.

THE VALUE WE BRING

Pediatric Hospital Partnerships

- Providing decades of pro bono support for program benchmark and monitoring
- Leadership for curricula, training and program delivery model

Local and global health priority focused

- Healthy China 2030, Three-Child Policy, United Nation's SDG 3, WHO Human Resource
- Strategies to improve newborn care

Sustainable

- Program is fully integrated into the public healthcare system ensuring 100% program
- continuity without additional funding, locking in impact

Multiplier effect

- For every \$1 donated, \$13 was contributed by Guizhou partner hospitals

A BOLD EXPANSION VISION

For the past two decades CMF has worked to shape and network our foundation of 85 neonatal program sites serving a community of 22 million families. By 2030, the “Every Baby Rescued” initiative will triple the reach of CMF trained doctors and nurses bringing emergency newborn healthcare closer to an additional 55 million families in rural parts of Western and Central China. “Every Baby Rescued” is a bold plan made feasible through your generosity, combine with CMF program expertise and partnerships to rapidly scale and strengthen the healthcare system serving China’s most vulnerable population – newborn babies.

- **2003-2009** Neonatal Intensive Care Units
- **2010-2018** Comprehensive Neonatal Healthcare Project
- **2020-2028** Every Baby Rescued Program

PLEDGE APPEAL

CMF SEEKS URGENT FUNDING TO REALISE THE “EVERY BABY RESCUED” OBJECTIVES

Your generous pledge helps reduce preventable newborn deaths, strengthen the health systems serving rural and minority families, and bring greater equity to newborn healthcare. Your donation has a multiplier effect. For each \$1 you donate, our program hospitals invest an average of \$10 in neonatal care.

Together we may deliver this time-sensitive intervention, to reach every child requiring critical medical attention.

We invite you to become an inaugural member of Founder's Circle

TOURNAMENT RULES

The tournament is played in the format of Modified Scramble. Awards are determined by calculating the net scores based on pre-submitted player handicaps. Format:

- Every flight plays 18 holes, in shot-gun format; i.e. your flight may not start on Hole 1. The team then selects one player's tee shot to use on that hole.
- Once the tee shot is selected, all players should play their second shots from that spot. The chosen tee shot should be marked and each player may place their ball within 12" of the mark.
- Each player then continues to play their ball until the ball is holed out or picked up.
- Every team must use at least two tee shots from each player in that team.
- The stableford scores of the best 2 players on each hole are counted towards the team score. To speed up play, all golfers should pick up on a hole after taking 8 shots on their own ball.
- We will be utilizing the new Golf Genius live scoring system during the day. This will allow everyone to see a live leaderboard as you play. Each flight will score on the golf cart and training will be provided before tee-off. We hope you will enjoy the excitement of using the Visage system.
- Men tee off from White tee markers and women from Red tee markers.

TOURNAMENT RULES

Hole 1 - Hole in One

The first tee shot counts. Cash Prize HKD500,000.

Professionals and ex-Professional Players are excluded

No mulligan / additional attempts

Sponsored by PGIM Investments

Hole 13 - Longest Drive

The first tee shot counts. Use the marker to indicate the position of the longest drive (ball must be on the fairway), noting your name on the placard if your drive exceeds the previous longest drive. The male and female Winner will each receive a trophy from Town House and gift from the Sponsor.

Sponsored by PGIM Investments

Hole 4 & 16 - Nearest to the Pin

The first tee shot counts. Nearest to the Pin wins the challenge trophy from Town House and gift from the Sponsor.

Sponsored by Bentley Hong Kong – DCH

OPTIONAL CHALLENGES

Mulligans

Mulligans may not be used for course challenges: the Hole 1 - Hole in One, the Hole 10 – Guess your Carry Distance, the Hole 11 - the Beat the Pro, the Hole 13 - Longest Drive, Hole 4 and 16 - the Nearest to the Pin.

Hole 10 – Guess your Carry Distance

As participants approach the designated hole, they will have the opportunity to use the launch monitor to measure the carry distance of their shots. They can then make an educated guess and submit their estimated carry distance to our team.

Sponsored by Optimus Golf Performance

Hole 11 - Beat the Pro

You will be able to challenge Kingley Long, Professional Golfer from Clearwater Bay to a Beat the Pro challenge. Anyone hitting his or her tee shot inside the professional's, will win a gift from the Sponsor.

Child with His Piglets Friends by renowned artist Grass Chow, watercolor on paper

This is one of the ink and watercolor paintings of Grass Chow "Left-behind Children " series. Grass Chow used rice paper to fill different atmospheres, and used pure strokes to describe the situation of a group of children who were forced to live with the only cares of their old grandparents in the countryside. Exhibits an endearing childlikeness with a touch of indescribable sympathy. Grass Chow's works can be seen in many galleries around the world, and are deeply loved by collectors.

Lucie Chang Fine Arts Morgan Ximmo Wu's "Stowaways No. 2"

The inspiration of Morgan's work is about jellyfish. There is the definition of c-print: A chromogenic print, also known as a dye coupler print or a silver halide print, is a photographic print made from a color negative, transparency, or digital image and developed using a chromogenic process. They are the most common print for printing color photographs and composed of three layers of gelatin, each containing a light-sensitive material and a different dye coupler of subtractive color that together form a full-color image. The light-sensitive material in the print, like in black and white photographic papers, is a silver halide emulsion.

Gearing Up For The Next Phase of Sustainable Development

As a socially responsible organization, The Clearwater Bay Golf & Country Club has always been a keen supporter of family and community service, as well as eco-conscious initiatives.

Established in 2003, the Community Outreach Programme (COP) has evolved from a simple idea into a comprehensive, scalable programme of charitable projects and activities underscoring the Club's commitment to preserving its beautiful environment, serving the neighbourhood and society, and improving the lives of the less fortunate.

An array of schemes have been introduced throughout the years, including but not limited to promoting sports, youth education and elderly well-being; contributing to emergency relief and embracing environmental sustainability measures.

Raising public awareness is another vital agenda to advocate health and wellness.

Apart from opening up facilities to public and charity partner use, the Club's dedication is further distinguished by an ongoing expansion and diversification of COP's service scope and offering.

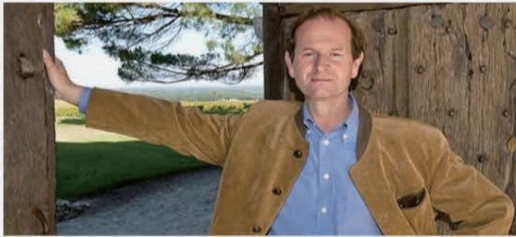

CHÂTEAU MARJOSSE

PIERRE LURTON
PROPRIÉTAIRE & VIGNERON

This area is completely encircled from north to south, nestled between the Dordogne and the Garonne, fed by its tributary the Lot, which stems from the heart of the Lozère. At Chateau Marjosse, 45 planted hectares are used to produce red Bordeaux wine. Chateau Marjosse has 16 hectares devoted to the production of white Bordeaux wine. The terroir of Chateau Marjosse is sand with clay.

Chateau Marjosse is the home estate for Pierre Lurton. Pierre Lurton is best known as the Managing Director of two First Growth Bordeaux estates. Chateau Cheval Blanc in St. Emilion and Chateau d'Yquem in Sauternes. But Pierre Lurton is also well-known for producing some of the best red and white Bordeaux wine from the Entre Deux Mers appellation at his Chateau Marjosse estate.
